

Leaf Collection Schedule 2015

Steve Oliver

Superintendent of Highways

LOOSE LEAF COLLECTION SCHEDULE

Guidelines for Loose Leaf Collection: Only leaves and pine needles can be picked up with VACUUM MACHINES.

Leaves must be raked out to the edge of the pavement. Piles with sticks or other debris mixed in will not be accepted, as it requires too much time to sort and still meet our schedule. In the event of inclement weather, this schedule could be delayed a day or two. In the event we pick up early do not be alarmed, we will be back on the scheduled date.
